Bally/MIDWAY

SOLAR FOX

**BALLY-MIDWAY'S
SOLAR FOX
SPEEDS
THROUGH A
VIDEO UNIVERSE
OF CHALLENGES**

YOUR MISSION. Select difficulty level from 2 speed settings. Clear the screen of fuzer targets as fast as possible while avoiding the enemy thrustors that move along the playfield's borders and the firebirds and force fields they shoot out, seeking to destroy your mission. Time and speed are your weapons.

Play against the time displayed by the Skip-A-Rack Timer. Clearing the rack before time expires earns the Skip-A-Rack Bonus, allowing you to skip the next rack while earning all of its points.

Meet the Challenge, every 4th rack play the challenge rack, without danger of losing your ship you'll earn bonus points by clearing the rack.

Play with distinction — after clearing 10 racks you'll become a member of the 10 Rack Club.

Solar Fox's complete package includes a new self-diagnostic package located inside the coin door for self-test, back-keeping functions, sound checks, player input, control switches and machine set-up information.
